## I. SIGNIFICANT ITEMS

Nothing to report.

## II. OTHER ACTIVITIES

1. A short discussion with Alan Little, FSI on 21 June has laid the groundwork for future discussions with reference to the role of FSI and OTR in providing communist indoctrination to personnel of various executive agencies prior to their leaving for foreign assignments.

2. On 25 June I discussed [redacted] our plans for the communist curriculum. He agreed on the two-week phase for the BOC and he will be provided with a copy of the draft schedule for the next several weeks. He also supplied additional comments from the DD/P staffs with reference to revisions of the communist curriculum in OTR. It was jointly agreed that the scheduling of advanced communist courses on a half-day basis will be desirable both from the point of view of student participation and of instructional advantage.
